Dear Carolyn

**RE: Endorsement of Heritage Management Plan, Sydney Metro Southwest -
Hurlstone Park, Belmore and Wiley Park Station Upgrades**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (SSI 8256, 12 December 2019) and Mod 1 (CSSI8256, 22 October 2020).

- Heritage Management Plan – Southwest Metro – Dulwich Hill, Campsie and Punchbowl Railway Station Upgrade, Rev 07.3 dated 23 May 2023 (Ref: SWM-HBW-HMP-001) (the HMP) as required by Condition C3 of the Infrastructure Approval.

As an approved ER for the project, I have reviewed and provided comments on this document and the minor changes proposed.

The administrative change to this document was to update Downer EDI to DT Infrastructure, following the acquisition of the Downer Infrastructure branch by Gamuda Australia.

Accordingly, I approve the minor amendments of the Plan for implementation under Condition A26 (i).

Yours sincerely

Brett McLennan
Environmental Representative – Southwest Sydney Metro
