Dear Carolyn

RE: Endorsement of Management Plan, Sydney Metro Southwest – Hurlstone Park, Belmore and Wiley Park Station Upgrades

Thank you for providing the following documents for the Environment Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (CSSI 8256 Mod-1, 22 October 2020):

- Construction Environment Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 7.4
- Noise and Vibration Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 8.3
- Soil and Water Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 7.4
- Heritage Management Plan – Southwest Metro – Hurlstone Park, Belmore and Wiley Park Station Upgrades, Rev 7.4

The update to these plans was to change from the Downer EMS to the DTI EMS template.

As an approved ER for the project, I have reviewed and noted that minor administrative changes were made. Accordingly, I approve the amendment of the Plans as a minor administrative revision for implementation.

Yours sincerely

Brett McLennan
Environmental Representative – Sydney Metro – City and South West
